The responsibility of Placements

Vanguard College desires for students to gain experience and guidance through their placement and by receiving one on one mentorship.

I understand that there is a great responsibility of the Ministry to provide guidance and one on one mentorship to the student(s) in a placement *

- Yes, we can provide that
- Sorry, we cannot provide that at this time

Please share a little about how you plan to support and mentor a placement student(s) for the duration of their time with your ministry *

WE plan on creating space and environment where students can get a full ministry experience. Internship is about having the chance to apply what they have learnt in school and apply it to a ministry context. So during their time at our church they will get to do exactly that.
