Placement Information

Please complete the following information about placement opportunities

2

What department would a student be working in? ex. pastoral, children, youth, worship etc. *

Pastoral & Volunteer management

Please give a brief description of what a student can expect and possible responsibilities. (i.e. When does your ministry meet? Are the students expected to attend your church? What responsibilities would they have?) *

The student would be expected to lead daily devotions, with staff and volunteers. These meetings address our current needs as well as reporting and reflecting on what our ministry is doing locally and internationally. The Student would be expected to assist with volunteer recruitment, onboarding, administration and management. Our store also has a prayer corner and we have a vision of someone available to customers who need prayer at any time, or to read prayer requests and actively pray for them.

How many hours of work per week should the student expect? *

approximately 10 hours per week

The responsibility of Placements

Vanguard College desires for students to gain experience and guidance through their placement and by receiving one on one mentorship.

I understand that there is a great responsibility of the Ministry to provide guidance and one on one mentorship to the student(s) in a placement *

- Yes, we can provide that
- Sorry, we cannot provide that at this time

Please share a little about how you plan to support and mentor a placement student(s) for the duration of their time with your ministry *

The student would report directly to the manager, who would mentor in all managerial and administrative tasks. In addition to that we have a staff member who is our current "faith ambassador / chaplain"; the chaplain would provide mentorship in all matters of ministry and faith.
