Meet Canwood Pentecostal Church:

Canwood Pentecostal Church (CPC) affiliated with the Pentecostal Assemblies of Canada. Founded in 1919, we recently celebrated our centennial and our rich heritage of God moving within the fellowship. CPC is a group that value and pursue passionate worship and spiritual growth.

We are a multi-generational church with typical Sunday morning attendance ranging from 40-60 people. Children are a huge focus of our congregation; they are a gift to our church and they have active roles participating alongside the adults in our weekly services. Currently we gather Sunday mornings for Sunday school and a worship service. We also run a weekly youth group of 20-30 kids. We are in the midst of starting a Jr. youth / Children's group also.

The church building is on two levels, both fully finished. It measures 40x80 and has multiple classrooms, a full kitchen, youth recreational space, pastoral office and nursery. Our building is mortgage-free and is equipped with an elevator, air conditioning, baptismal tank, sound and projector system.

Our church is also blessed to own a spacious parsonage. Our pastor will be given a budget to make any cosmetic updates needed to make the house their new home. The home is 1335 square feet and has, 2.5 bathrooms, 3 bedrooms, a finished basement with an additional bedroom and an attached insulated garage. The deck, windows, and kitchen appliances were upgraded recently. The yard has a garden and a garden shed.
