Cabin Leader

Pioneer Bible Camp
Hanmore Lake, Alberta

Pioneer Bible Camp

Founded in 1949, by John and Lucile Kushnerik, Pioneer Bible Camp (PBC) is set on a beautiful piece of property along Hanmore Lake in northern Alberta, approximately 120 km northeast of Edmonton. Our desire is to give children a place to develop and grow in their faith journey and, in many cases, to be introduced to Jesus Christ for the first time. PBC is a non-denominational camp where God's Word is taught in different ways throughout the day. The property features 12 individual cabins, a chapel, a sports gymnasium, a beach with boating and swimming, an archery field, an industrial standard kitchen and a dining room with capacity for 110 campers and counsellors. Throughout the month of July we host 4 week-long children's camps. During the rest of the summer season our camp is available for group rental.
