Northwest Community Church of Meadow Lake Saskatchewan is prayerfully seeking a pastor to shepherd our small town, multigenerational MB congregation of 50 to 60 attendees. We are a town of 5000, located in the North Western part of the Province. The Lord is directing us to seek a pastor who is called by God, loves the Lord and loves his people while embracing the full truth of scripture without exception. The candidate will have the necessary experience, ability and education to lovingly nurture while effectively imparting God's truth to equip our congregation in a Christ-centered life through preaching, teaching and example. Successful candidate will be required to be credentialed with the Saskatchewan Conference of Mennonite Brethren Churches.
