

We are looking to hire employees who want to make a difference in the lives of others and work for an organization whose mission is, “Living life in a caring, Christian environment.”

If you want to work for an organization whose foundation is built on the Bible and the teachings of Jesus Christ, consider applying to work at Shepherd’s Care Foundation – a faith-based, not-for-profit organization that is dedicated to providing a full spectrum of care and service to approximately 1000 seniors in Edmonton, Barrhead, and Rocky View County (just outside Calgary) which also offers its employees a competitive compensation package.

Our six campuses provide living options for a full spectrum of care including independent living, supportive living, supportive living with dementia, long-term care and complex care.

Shepherd’s Care is looking for new team members including RNs, LPNs, and Health Care Aides who are interested in being present in the lives of their residents. See how you can get involved!
