## STATEMENT OF FAITH

Vanguard College subscribes to the Statement of Fundamental Truths of the Pentecostal Assemblies of Canada (PAOC).

We believe:

- That the Old and New Testament are divinely breathed, infallible, inerrant as originally given and are the complete revelation of God's plan for the salvation of Man.
- In one God who is infinitely perfect, existing in three persons; Father, Son, and Holy Spirit.
- In Jesus Christ as true God and true Human Being. He was born of a virgin, lived in sinless humanity, and died

upon a cross, the just for the unjust, as a substitutionary sacrifice, that all who believe in Him may be justified on the grounds of His shed blood. He arose from the dead and now is at the right hand of the Majesty on high as our High Priest.

- In the present day reality and need for the post-conversion experience of the Baptism of the Holy Spirit with the initial scriptural evidence of speaking in tongues, and in the use of supernatural gifts in public and devotion worship in the life of the believer, in the healing of the body by Divine Power as practiced in the early church.
- In the local church as a body of believers who meet together for the worship of God for edification, prayer, fellowship and to participate in the ordinance of believer's baptism and the Lord's Supper.
- That the Second Coming of the Lord is imminent and will be personal, visible, and pre-millennial. This is the believer's blessed hope and is a vital incentive to holy living and faithful service.

## **VALUES**

### **Value #1 The Supremacy of God's Word**

All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness: so that the man of God may be adequate, equipped for every good work. 2 Timothy 3:16

### **Value #2 Disciplined Spiritual Formation**

To know the love of Christ which surpasses knowledge that you may be filled up to all the fullness of God. Now to Him who is able to do far more abundantly beyond all that we ask or think, according to the power that works within us. Ephesians 3:19-20

### **Value #3 Resilient Personal Wholeness**

Come to Me, all who are weary and heavy-laden, and I will give you rest. Take My yoke upon you and learn from Me, for I am gentle and humble in heart, and you will find rest for your souls. For My yoke is easy and My burden is light. Matthew 11:28-30

### **Value #4 The Preparation and Mobilization of Skilled Workers**

Seeing the people, He felt compassion for them, because they were distressed and dispirited like sheep without a shepherd. Then He said to His disciples, "The harvest is plentiful, but the workers are few. Therefore, beseech the Lord of the harvest to send out workers into His harvest. Matthew 9:36-38

### **Value #5 The Proclamation and Practice of God's Kingdom**

This gospel of the kingdom shall be preached in the whole world as a testimony to all the nations, and then the end will come. Matthew 24:14

# **MEET VANGUARD: EDUCATIONAL INFORMATION**

## **EDUCATIONAL PHILOSOPHY**

Since its inception in 1946, Vanguard College (Northwest Bible College) has undertaken to fulfill its mission To develop and mobilize Spirit-empowered leaders to be fruitful in God's mission in accordance with its Core Values and Statement of Faith. First and foremost, Vanguard College is a Bible College and Discipleship School. It exists to be a global leader in ministry training and discipleship. As a discipleship school the goal is to equip certificate students with spiritual disciplines for life.

Ministry training is approached as preparing students academically and with applied ministry skills. All students receive grounding in the bible, growth through discipleship, character development and practical experience in ministry.

Furthermore, it is the intent of this College to develop academic programs and supports for students' success. As faculty engage in student development, they are guided by the Student Learning Outcomes, and the Institutional Outcomes. Faculty demonstrate strong academic qualifications and are proven practitioners in ministry. Their primary roles include teaching, pastoring and discipling, actively investing in the student both inside and outside the

classroom.

Vanguard College's Statement of Faith considers Biblical Higher education as integral to the redemptive activity of God. This is based on the conviction that God, who has made himself known and who desires through his church to make himself known to others, has created each student in His image and for His purpose. Biblical Higher education embraces the whole person. This includes both the objective impartation of facts as well as the integration of faith and life journey. Curriculum is prepared to stimulate the whole [person], imparting needed knowledge and sound values to the spiritual, intellectual, social-physical, and professional areas of one's life. This is expressed through cognitive (head), conative (hands) and affective (heart) course objectives.

Since the Bible is the infallible basis of knowledge in all matters of faith and practice, and since it gives us the theistic orientated worldview that should permeate every aspect of a believer's knowledge, its teachings shall be foundational to the educational

program of the College (Psalm 119:1-8). The College is committed to integrating faith with every aspect of learning at all times. We hold that a biblical worldview is the truth by which we interpret the world around us providing a holistic way to live both within and counter to the culture. Vanguard's chosen setting, in the heart of a large urban center, allows a multi-faceted cultural application of the Gospel. Its non-dorm setting is intended to ensure that the student will have maximum opportunity to incarnate the Gospel in an every-day setting through real life discipleship.

## **COLLEGE HISTORY**

Vanguard College was founded in 1946, then known as Canadian Northwest Bible Institute (CNBI). The vision of D.N. Buntain; the first class enrolled forty students and employed six part-time staff. Classes were held in the original Central Pentecostal Tabernacle building in Edmonton, located on 108 Street. The only program available at that time was a three-year Bible diploma program.

Canadian Northwest Bible Institute was renamed Northwest Bible College (NBC) in 1964, and then Vanguard College in 2004.

Today, we have around 270 students studying on-campus and online, and 21 full-time staff and faculty, as well as adjunct faculty and part-time staff. Students today can choose from a variety of one- through four-year programs in a variety of disciplines in order to prepare themselves for ministry. Students have the options to study on-campus or through online studies

## **COLLEGE GOVERNANCE**

Vanguard College is the Theological training College of the Alberta-Northwest Territories District of the Pentecostal Assemblies of Canada. The activities of the College are directed by a Constitution and Bylaws which are set down by its Board of Directors.

Within this framework, a Board of Directors – representative of the constituency served by the College – governs the affairs of the College. The Board of Directors meets three times each year.

These governing bodies of the College carry out their policies and decisions through the President, who is the chief executive officer of the College.

The Chief Academic Officer of the College is responsible to the President for the academic programs and curriculum development. All curriculum, graduation, and academic policy decisions are decided upon by the faculty in Academic Committee meetings and are subject to the approval of the Board of Directors at its regular meetings.

All financial and administrative policy decisions are decided upon by the faculty and staff members in Operations Council meetings and are subject to the approval of the Board of Directors at its regular meetings. The President is the chair of the Operations Council.

# MEET VANGUARD: GOD'S HEART, IN THE HEART OF THE CITY

Edmonton, Alberta's capital, is situated along the banks of the North Saskatchewan River. There are acres of beautiful parks and river valley trails to enjoy. If you're a sports fan, you can cheer on one of our many sports teams such as the Edmonton Oilers hockey team or the Edmonton Eskimos football team. Edmonton is also home to West Edmonton Mall, one of the world's biggest shopping centers. For good reason, Edmonton is known as "Canada's Festival City" hosting over 100 festivals each year including Canada's largest Fringe Theatre Festival. Edmonton's historic Whyte Avenue District and revitalized Churchill Square in the Downtown core provide the perfect settings for these annual celebrations.

Not only is Edmonton a vibrant city and arts and entertainment hub, it is also a city with a strong Christian presence. Various conferences such as One Conference, an equipping and renewal conference, are hosted in the city. These conferences, along with a strong network of churches, provide unique opportunities for students to be involved in Christian ministries that truly impact the souls of a nation.

When in Edmonton, you can also explore the city's cultural diversity by visiting China Town, Little Italy or the Avenue of Nations. No matter what you're interested in, from missions to music, youth culture to children's ministry, there is something happening in Edmonton to spark your passion.

Vanguard has been blessed with a beautiful campus in a renovated and restored public school, formerly known as H.A. Gray. Our facility is complete with vibrant classrooms, chapel, gym and a prayer room overlooking the community and city we are called to serve.

Spiritual emphasis times and weekly Chapel services will help shape you through Spirit-filled worship, preaching and teaching. Lasting friendships will be built through retreats, life groups, ministry teams and social events. As for ministry, a vast spectrum of field education, ministry and internship opportunities exist within the city and surrounding area. Whether you are interested in serving in a church or in a parachurch ministry, there are many options for you to choose from!

Living in the Westwood community is a great part of the Vanguard experience. Student housing is a service offered to our first-year students to assist them in building community and making the transition to college life a little bit easier.

Vanguard College leases houses within a two block radius of the school and offers them to students fully furnished and ready to move in! Basic utilities are provided including internet, heat, water, electricity, and laundry.

Students gain a sense of independence while staying in college-managed housing. Each house accommodates 4-6 students and offers both private and shared rooms to suit various budgets.

Students are responsible for their own meals and groceries, and will have a full kitchen to practice their culinary skills with new friends! For out of town students without a vehicle, Vanguard's Student Life department offers weekly grocery runs that students can sign up for.

For upper year students, or if first-year housing is full, we offer plenty of assistance in helping secure and arrange housing through our housing network. For more information, contact our Student Housing Coordinator ([housing@vanguardcollege.com](mailto:housing@vanguardcollege.com)).

Vanguard College's Campus is located in north central Edmonton.

## The Actual Cost of College Tuition

We are including this brief note in our Vanguard College Catalogue this year as a point of information as to how the full cost of tuition is received to Vanguard College. Currently, it costs approximately \$15,500 to pay for each students' full annual tuition. Of this amount, the student pays about \$8,500 in tuition fees for each year of study. The remaining \$6,500 per year, per student, is paid by our valued donors and churches that desire to partner with us in this ministry. We share this with you so that you will know that there are a host of individual people and churches that you have never personally met but believe in you enough to provide generous financial contributions to the College for us to meet our operational budget. The participation of these people giving and praying so consistently make it possible for us to keep providing the highest quality of education possible for all who attend Vanguard College.

Perhaps you are a friend or a relative of one of our students this year or possibly you yourself have benefited directly from the faithfulness of our donors and churches as an alumnus? This note serves as an invitation to you to prayerfully consider becoming one of our one-time donors or becoming a monthly donor. Thank you for your consideration of this opportunity to partner with us at Vanguard College!

To discuss becoming a one-time donor or a monthly donor please contact Rev. Keith Bishop at: [keith.bishop@vanguardcollege.com](mailto:keith.bishop@vanguardcollege.com).

# GENERAL ACADEMIC INFORMATION

\*Subject to change. See website for updates.

## REGISTRATION

Students who register after the registration deadline will be charged a \$50 late registration fee.

## ACADEMIC POLICIES AND PROCEDURES

The policies that follow are intended to satisfy the most common institutional inquiries. Please contact the Registrar for a complete guide to Academic Policies: registrar@vanguardcollege.com.

## CHANGING PROGRAM OF STUDY

1. All students changing their program of study must complete a "[Program Change Form](#)". The Chief Academic Officer or Registrar will review the request before approval will be granted.
2. Students continuing from year one to year two of study are required to complete a continuance conversation with their Program Director. Please contact the Registrar for information regarding the process.

## PROGRAM MINORS

Students who wish to add a minor to their Program must have a GPA of 2.3 and must maintain that GPA throughout their program.

Students are required to complete 12 credits over and above the required 129 credits for a degree and 100 for a diploma.

Students should also be aware that this does add an extra semester of study.

## ACADEMIC LOAD AND COURSE OFFERINGS

1. Vanguard operates on a three-term system: Fall, Winter, and Summer Sessions.
2. The normal academic load in credit hours per week during each term is 16 credits. Full-time students are those taking 10 or more credit hours per term. Part-time students are those taking less than 10 credit hours per term.
3. Students who are registered for 6 credits in the Summer session will be considered full-time.
4. Increased course loads over 16 credits require the approval of the Chief Academic Officer or Registrar.

## STUDENTS WITH DISABILITIES

### Our Philosophy

Vanguard College desires that all students achieve academic success and is therefore committed to serving the needs of students with either permanent or temporary physical, learning, or psychological disabilities, including mental health issues. Physical disabilities may include mobility, sensory, or health limitations. Students with disabilities are expected to take responsibility for their own academic strengths and weaknesses and are encouraged to actively seek alternative ways of learning which may enable them to achieve academic success. Students who experience mental illness are also eligible to be reviewed within this context.

Students with disabilities are required to maintain the academic standards set out by Vanguard College. Graduation must be predicated on a student's mastery of course material, personal and spiritual development, and practical ministry skills. All Academic standards for Dean's List, Graduation and Academic Standing such as Warning, Probation, and Suspension are applicable to all students. Community Standards at Vanguard College are also applicable to students with disabilities. Students with disabilities should not be given undue advantage over other students.

Accommodations will not be considered reasonable if they alter the nature of the program of study or if they are unduly burdensome to Vanguard College, either financially or administratively.

### Documentation and Referrals

Vanguard College provides reasonable support services and accommodation for adequately documented disabilities. Documentation provided must not be older than three years and must accurately reflect the student's current level of function as well as provide data that supports the request for accommodations. It is the responsibility of the student to obtain supplemental testing or assessment if the request for academic accommodations is not supported by educational and/or psychological assessment documentation. When warranted, Vanguard College

will provide students with referrals for further assessments or re-assessments. Students with a suspected, but not yet identified disability, may be referred to an appropriate agency for testing. The cost of obtaining a professional assessment and documentation is borne by the student.

When students have a physical or psychological disability that affects academic performance, or if they take medication that causes a similar effect, documentation from a psychologist or medical doctor is required and must detail out the effects of the disability and/or how medication may impact the student's academic performance.

## Student Responsibilities

Students with disabilities are required to follow all procedures set out by the Academic Success Centre regarding accommodations. They are also responsible for any additional cost incurred for assessments, tutors, editors, and equipment. Students who may require additional supports can apply for government funding to help with these costs and should contact the Academic Success Centre for guidance in this regard.

## ACADEMIC SUCCESS CENTRE

The Academic Success Centre (ASC) at Vanguard exists to help every student to reach his or her full potential. We offer a number of services, at no cost to students, that are designed to help every student achieve success. These services include the following:

- Peer tutoring is available for all students at no cost upon request. Tutoring includes time management, research assistance, and proofreading. Tutors can be booked using the links provided on the Vanguard College website under Current Students/Academic Success Centre.
- An online tutor is also available at [etutor@vanguardcollege.com](mailto:etutor@vanguardcollege.com) for online students, or those who have sufficiently developed their skills so that they no longer need one-on-one tutoring.
- For those students who require it, we provide supports to accommodate special needs including readers and/or scribes to help them through any learning challenges they may have. An educational/psychological assessment or doctor's note is required for accommodations.
- We are also pleased to consult with students who may have had an Individual Program Plan (IPP) in high school, or who struggle in one or more areas of academics. Independent Education Plans are available to students with documented learning needs. Please call Vanguard for more information.
- If a student requires individualized tutoring, the Academic Success Centre can provide an educational assistant for an additional charge. Students may be able to apply for disability funding with their province of residence to help pay for these services.
- It is the student's responsibility to ensure that all required documentation for funding is completed. For those who would like help with the process, please email our Student Finance Administrator at [studentfinance@vanguardcollege.com](mailto:studentfinance@vanguardcollege.com)
- ASC provides a quiet space for students to come and relax or quietly do homework in a calm peaceful environment. Two computers are provided, equipped with a text to voice and a voice to text software. These spaces must be booked in advance at [academicsuccess@vanguardcollege.com](mailto:academicsuccess@vanguardcollege.com)
- For more information, email [academicsuccess@vanguardcollege.com](mailto:academicsuccess@vanguardcollege.com)

The ASC also runs, an academic discipleship program for students whose marks are lower than needed for continuance (see Academic Standing Policy).

Whether you need help formulating an IEP, need some extra assistance with tests or assignments, or want to have a paper proofread by one of our peer tutors, let us know how we can serve you!

## ACADEMIC PERFORMANCE

### Dean's List

To acknowledge academic excellence, Vanguard College has established a Dean's List, which publicly honours the students who have excelled in their studies over a particular term. A grade point average of 3.7 or higher with a course load of 12 or more credit hours is required to be on the list. This does not include Pursue courses (Formation 1, 2, 3, and the Pursue Practicums)

### Academic Standing Policy

At the end of each term, the Academic Standing Committee reviews each student's academic performance to determine if they have remained in good standing. Students with both a term GPA and cumulative GPA of 2.0 are considered to be in good standing.

Students with a GPA below of 2.0 or who have not continually made consistent progress toward a cumulative GPA or 2.0 will be placed on one of the following Academic Standing categories:

- 1. Academic Warning** – (Term GPA of 1.70 – 1.99 and/or Cumulative GPA below 2.0) This information will be entered into *Populi* but this status will not be visible on the student's transcript. Conditions for ongoing study will be set by the Academic Standing Committee.
- 2. Academic Probation** – (Term GPA of 1.0 - 1.69 and/or Cumulative GPA below 2.0) This information will be entered into *Populi* and this status will appear on a student's transcript. Conditions for ongoing study will be set by the Academic Standing Committee. A third consecutive Academic Probation could result in Academic Suspension from studies for a period of time as determined by the Academic Standing Committee.
- 3. Academic Suspension** – (Term GPA below 1.0 or a 3<sup>rd</sup> Academic Probation and/or Cumulative GPA below 2.0) Students will be suspended from studies for a period of time anywhere from one term up to 2 years. This information will be entered into *Populi* and this status will appear on a student's transcript. Prior to returning for studies, the student must meet with the Registrar and/or Academic Dean and review conditions for their

return. The student will be placed on Academic Probation when they return. Academic Suspension is a serious matter and students are considered for this on a case by case basis.

Students who fall into one of the categories listed above, will be sent an official letter from the Registrar's office. This letter will outline specific conditions which the student will be required to attain. This may include one or more of the following:

- enroll in and complete the academic discipleship program
- enroll in a reduced course load
- meet a certain term GPA
- drop their Program Minor

Other conditions may also be outlined by the Committee.

Students who have not met the conditions as outlined by the Academic Standing Committee will be reviewed carefully and may be required to remain in the same Academic Standing category or be placed in another higher level of Academic Standing.

## Appeal Process for Academic Decisions

The student has the right to appeal a decision made in response to **academic standing** on the following grounds:

1. There is evidence available that was not considered in the decision.
2. There is evidence of prejudicial treatment in the decision.
3. The appropriate process as outlined was not followed.

A decision made by the Academic Standing Committee may be appealed to the Academic Dean in writing within fourteen days of the student being informed of the decision stating the basis on which the appeal is warranted. If the decision is not resolved with the Academic Dean, then the student may proceed with presenting their case to the President.

## Academic Appeals

1. Students wishing to appeal a final grade may do so up to 14 days after marks are submitted to initiate an appeal.
2. Students disagreeing with a mark assigned must:
  - a. First discuss the issue with the instructor involved in an attempt to resolve the disagreement.
  - b. If the matter is not resolved, students should discuss this with the Academic Dean.

## Extenuating Circumstances Policy

1. Purpose and principles for the policy.
  - a. The purpose of this policy is twofold: a) to ensure that students with valid claims of extenuating circumstances are treated fairly, and b) to protect the integrity of the College's policies.

2. Scope of the policy

  - c. The College's existing absence policy (see syllabi for details) are to be used for non-extenuating circumstances.
4. Definition of extenuating circumstances.

- a. Extenuating circumstances are defined as serious and acute problems or events which are beyond a student's control or ability to foresee which may affect their performance and/or hinder their ability to meet essential academic requirements or standards.
  - b. The following is a non-exhaustive list of circumstances that qualify as valid extenuating circumstances:
    - a) Serious illness, accident or well-being issue that is incapacitating or an unexpected deterioration in a long-term condition.

    - f) Avoidable study-related factors such as deadline congestion, lost files, or lost class notes, etc.
5. Some important procedures.
- a. Communication.
    - a) Students should reach out as soon as possible with a brief email or phone call to the registrar or the campus pastor to alert the College and request consideration of this policy. Other personnel that may work with students include their program director and/or the academic dean.
    - b) Initial communications should include enough disclosure that provides clear context, the immediate implications for the student, and a sense of duration of the extenuating circumstances.
    - c) Ongoing dialogue with the College must be maintained and consistent. This can include an emergency contact who will communicate on the student's behalf if necessary.
  - b. Timing.
    - a) The benefits of this policy are available during the period of extenuating circumstances. A student is not eligible for these benefits if they inform the College after the extenuating circumstances are resolved unless they were physically prevented from contacting the College.
  - c. Documentation or evidence.
    - a) The College has the right to request appropriate/relevant documentation such as doctor's notes, letters requesting appearance, notice of travel cancellations, or other documentation that helps verify the extenuating circumstance.

## CREDIT WHERE CREDIT IS DUE

### Prior Learning Assessment Recognition (PLAR)

The purpose of PLAR is to replace Life and Ministry Application and allow Vanguard College to complete a critical and in-depth, evidence-based evaluation of a student's prior learning in the area of academic and practical studies. **PLAR will not be considered in the final semester prior to graduation and only courses required for a student's program of study are eligible.** The Chief Academic Officer, Registrar and Faculty work alongside the student in this evaluation process to determine the competency level in a particular subject and then decide whether credit will be awarded. PLAR considers not just student experiences but also considers if learning outcomes have been met.

Students who have been accepted into a program of study may, in consultation with the Academic Dean or Registrar, submit a PLAR application and pay an initial fee of \$50 and complete a self-audit. If a student's self-audit in a particular subject area indicates a level of competency, then they would be eligible to continue on and provide sufficient evidence of how the learning outcomes of a course were met. This would be evaluated by the Academic Dean and Faculty member responsible for teaching the course.

The in-depth assessment may take the form of one or more of the following:

1. Portfolio Assessment
  - a. direct evidence (academic writing, lessons, project outlines, reports, videos, etc.)
  - b. indirect evidence (reference letters, supervisor validation, and performance assessment)
  - c. self-evidence of competency in a subject (self-audit of learning outcomes)

- d. Resume demonstrating competency in subject area
2. Written Challenge Exam (as per guidelines of Academic Policy)
3. Research Paper of 500-700 words with reference page (topic assigned by professor)
4. Interview if required

Once a PLAR Application is accepted, the student will be notified to proceed with the submission of supporting documentation within two months to the Chief Academic Officer for assessment. At this time, you will be charged a fee of \$60 per credit.

Students requiring more time to submit their documentation may contact the Registrar's email address requesting a one month extension and they will be required to pay a fee of \$25.

The assessment by the Chief Academic Officer and Faculty will be completed within 2-4 weeks.

If the application is successful, the Registrar would notify the student and indicate this as a credit on the transcript. If denied, the student will be required to complete the course through the classroom or online studies. Students who wish to engage in the PLAR process should contact [registrar@vanguardcollege.com](mailto:registrar@vanguardcollege.com)

## Transferring Credits to Vanguard

Vanguard considers transfer credits from a variety of accredited post-secondary institutions. Applicants desiring advanced standing at Vanguard on the basis of previous work must have official transcripts forwarded directly from the institution where the credits were earned. The Registrar will then determine if a course is comparable to a Vanguard course. Applicants wishing to transfer credits should take note of the following:

1. Evidence of honourable dismissal from all other schools attended is required. Those courses that a student seeks to transfer should have a minimum letter grade of **C** or its equivalent according to Vanguard's current grading scale.
2. In order for courses to be eligible for transfer the course needs to be completed within the last 10 years.
3. To be transferrable, a course must be the equivalent or near to the equivalent of the Vanguard program requirements, or fit within the maximum number of credit hours in the particular course selected.
4. A student from a school accredited by the Association of Biblical Higher Education will receive full credit for equivalent courses provided grades earned were C; or its equivalent according to Vanguard's current grading scale or above, and that the courses parallel requirements outlined and the learning outcomes (Maximum of 50% of a program).
5. Grades for credits transferred will not appear on the transcript nor will they be considered when calculating a student's grade point average.
6. Diploma and Degree students wishing to graduate from Vanguard will need to take a minimum of 50% of credit hours at Vanguard.
7. Concerning recognized unaccredited colleges and non-formal programs:
  - a. Applicants from a recognized unaccredited college (as deemed by the Academic Council) may potentially receive up to 50% credit for courses taken there.
  - b. The courses must meet Vanguard's transfer credit criteria of a minimum grade of C (63-66%) or equivalent and must parallel courses in their chosen program of study as core or elective credit.
  - c. Along with official transcripts, applicants may be asked to provide appropriate documentation to demonstrate that the courses taken at the unaccredited college parallel Vanguard's courses.
  - d. Courses taken at non-formal programs such as YWAM or Capernwray can receive up to 8 credits of transfer.
  - e. All requests for correspondence credit require assessment and approval by the Registrar.

## Transferring Credits from Vanguard

Vanguard College offers a number of courses that are transferrable to other colleges and institutions. Vanguard has an agreement with the following:

The King's University  
Ambrose University

Information can be found at [acat.alberta.ca](http://acat.alberta.ca)

Several other institutions may consider Vanguard credits on a case by case basis, according to their own academic

policies. Students should consult with the college they are applying to, prior to admission, concerning transfer credits.

# ON CAMPUS ACADEMIC INFORMATION

## ACADEMIC YEAR

### Course Delivery

1. **Regular Courses:** For on campus courses, classes are offered throughout the term twice a week for 75 minutes, from September – December and January – April.
2. **Block Courses:** Three-hour classes offered both during the day and evenings.
3. **Online Courses:** All online courses run on a four month rotation and start on the 15<sup>th</sup> of any month. On campus students are required to contact the Academic Office for approval prior to registering for an online course.
4. **Directed Studies:** Students requiring alternative course deliveries are required to contact the Academic Department.
5. **Modular Courses:** Offered over one week with additional pre and post course work. End of August, first week of January and first week of May. <https://www.vanguardcollege.com/modular-courses/>

### Course Cancellation

Before a term starts, Vanguard College reserves the right to cancel classes due to low enrollment or other extenuating circumstances. Whenever possible, students enrolled in the cancelled classes will be notified at least three weeks before the start of the class. Students will be refunded all money paid for the cancelled class.

### Classroom Policy

During the term, if an instructor is absent from a class and the students have not been informed that the class is cancelled, students must wait 15 minutes in the classroom for the instructor to arrive before they are released from class.

No instructor may cancel more than two classes of a course without scheduling a make-up class.

### Electronic Device Policy

To ensure the learning environment is free from distractions all audio devices, smartphones, tablets, or laptop computers are to be used according to the instructor's directions for learning and participation. Students who use these devices outside of these parameters will be asked to leave the room and be marked absent.

### Recording of Lectures

The recording of lectures or the use of any other audio-video equipment is not permitted unless cleared by the instructor prior to the event. Each instructor's decision shall be final.

### Course Changes

1. The day of withdrawal or course change is determined by the date the Academic Office receives an email from the student requesting a course change or withdrawal. Requests expressed to a faculty member or made verbally will not be accepted as official requests. Appeals from this policy can be made to the Operations Council.
2. Students may withdraw from courses without academic penalty up to the tenth week of classes in each term for regular courses and up to the sixth week for modular courses.
3. Students cannot add a course following the 7<sup>th</sup> day after the first day of class.
4. Students withdrawing from a course after the last day to drop a course will receive a W for that course on their transcript.

### Course Alternatives

Alternative course options such as a Pentecostal Assemblies of Newfoundland and Labrador (PAONL) track or requests for Alliance History are available to students. Please contact the Academic Department for further information.

### Attendance Policies (Classes)

Regular class attendance is vital for student learning and a requirement of earning an accredited education.

Attendance is required for all courses in which the student is enrolled. If a student believes they have an absence that warrants being excused they can contact the instructor and/or registrar to request that absence be recorded as excused (please see the **Extenuating Circumstance Policy** in the Student Handbook).

Students are required to regularly attend classes according to the following standard:

- Course consisting of a 75-minute class: 5 classes of missed time is allowable
- Block Class: 2 classes of missed time are allowable
- Practicum Classes (60 minute): 2 class per semester of missed time is allowable
- Practicum Classes (120 minute): 1 class per semester of missed time is allowable
- Internship Classes: 2 classes per semester of missed time is allowable
- Modular Courses: ½ day of missed time is allowable

It is the responsibility of the student to be aware of this policy and closely track their attendance for each of their courses.

Students who exceed the maximum limit of absences will automatically fail the course, or they may be eligible to receive a Withdrawal (WD) from the course. The student will submit an email within five business days of their final absence to the Registrar to initiate the process for receiving a WD. The Registrar has the right to request supporting documentation to help determine if a WD will be administered. Refunds for WDs will be administered according to the current refund policy.

Instructors are responsible to record absences for students and correspond with students regarding absences or lates.

### **Incomplete Course**

An Incomplete Course is requested when a student has extenuating circumstances (health concerns, death in the family, or due to incomplete field education hours). Requests must be submitted by the last day of the course (as per course instance in Populi). Students must have completed at least 50% of the course requirements with a minimum of 50%. An incomplete is given for one month from the end of the course. We strongly advise students who are receiving an incomplete that they do not enroll in any new courses and if they do want to enroll in courses, enrolment will be delayed until the incomplete courses are finished. When due dates are set, they are firm, there is no late allowed within an extension. Students who experience health matters which suddenly impact their semester need to provide a letter to the Registrar from the attending physician involved. There is a limit of three incomplete courses at a time.

### **Course Failure and Course Retake**

Course Failures and Course Retakes:

1. In the event that a student attempts and fails a course, they may retake the course a second time.
2. Students are required to register and pay full tuition for the course retake.
3. A course retake is only available to active students who are working to complete their program of study.
4. Students are required to meet all course requirements. Instructors may accept an already completed assignment that has been improved upon by the student the second time around.
5. In the event that a student passes the retaken course, a record of the failed course will remain on transcript with an "R" next to it indicating that the course has been retaken and the credits of failed course will be calculated into credits attempted. This academic term in which the failed course appears will not change that term's GPA. The new grade will show in the enrolled academic term and only replace the failed grade in the calculation of the cumulative GPA. Credits of a retaken course will be calculated into credits attempted.
6. If after three unsuccessful attempts at the same course, the Academic Dean and Registrar will meet with the student to determine the next course of action.

## **PLAGIARISM AND CHEATING**

Plagiarism occurs when a student presents the work or idea of another in such a way as to give others the impression that it is their own work or idea. In college-level writing, there should be no doubt which words or ideas are the student's and which are drawn from other sources.

When a faculty member discovers students plagiarizing or cheating, the paper will be reviewed by the Professor in conjunction with the Academic Dean to determine the level of plagiarism involved. The Academic Dean and/or the faculty member will contact the student to review the evidence and hear from the student. The Registrar will be notified to check if the student has a prior offense listed on the central registry. Penalties consider both the seriousness of the plagiarism (i.e., Level I, II, or III) and repeated offenses.

## Criteria for Plagiarism

Any work that contains one or more of the following elements will constitute plagiarism:

1. Small or large amounts of borrowed material (e.g., text, images, recordings, etc.) presented as the student's own with no credit given to the original source.
2. Careless presentation and use of proper citations (e.g., quotation marks around quoted text but no citation, etc.)
3. Misleading or inadequate referencing. For example, citing out-of-print sources or inaccessible internet resources (i.e., 404 error)
4. Poor paraphrasing skills. For example, only changing a few key words or extensive use of synonyms in place of the author's original words while keeping the same meaning as the original.
5. Work done by another student (even if it is used with permission).
6. Improper use of editorial help (i.e., peer tutors have contributed ideas that substantially changed your work instead of just indicating where problems exist).
7. Claiming or attributing authorship in group assignments to students who did not contribute.
8. Submitting work done in one course to satisfy the requirements of another course. This is known as self-plagiarism. It is only acceptable if both instructors agree beforehand to accept such work.
9. Work has been purchased and/or written by someone else and presented as your own.

A bilateral decision-making approach must be taken. The faculty member and Academic Dean will be given discretion to determine an appropriate response to a case of plagiarism according to these guidelines:

### Level I

Only applicable if:

The student is currently enrolled in his or her first semester at Vanguard and/or has not studied at a post-secondary level before or has been out of school for more than five years.

Only small amounts of plagiarized material present. Generally characterized by being careless in paraphrasing and use of proper citations. If more substantial amounts of plagiarism are involved this may classify as a level II or III offence.

No deliberate intent to cheat or deceive assessor is present.

### Suggested Penalties

Work is deemed not suitable for submission. Students are required to correctly format all plagiarized portions of the assignment (without revising the other content) and resubmit it within 24 hours by uploading it to Populi.

Resubmitted work will be marked without penalty.

Warning only -- no academic misconduct, but students will be required to take a refresher in APA skills with the Library Director.

### Level II

Applies to students who should have some level of awareness of what plagiarism is due to recent academic experience and/or there may be some level of intent to cheat or deceive the assessor.

The writer gives no recognition to sources from which substantial phrases, sentences or even ideas are drawn

This could be a first or second offence for plagiarism.

Significant amounts (e.g., 10-30%) of the assignment are plagiarized.

### Suggested Penalties

The Academic Dean will issue a formal warning letter to the student and s/he will be placed on a central plagiarism registry.

Work is deemed not suitable for submission. Students are required to correctly format all plagiarized portions of the assignment (without revising the other content) and resubmit it within 24 hours by uploading it to Populi.

Resubmitted work will receive a mark between 30-50% depending on how serious the nature of the offence is.

### Level III

Substantial amounts (e.g., more than 30%) of the assignment are plagiarized (i.e., paraphrased or copied) or the entire assignment is the work of someone else but presented as original scholarship.

More than two plagiarism offences have occurred previously.

A clear intent to cheat or defraud the assessor is suspected.

### **Suggested Penalties**

The Academic Dean will issue a formal letter of admonishment to the student.

Work is not eligible for resubmission. The student will be required to submit a new assignment. Provided the work is of passing standard, the maximum mark achievable will be 50%.

Discretion lies with the Academic Dean on how to proceed should no supplemental assignment be available.

Repeat offences could result in automatic course failure or suspension or expulsion from Vanguard College. If a plagiarism case reaches this level it must involve the Discipline and Restoration committee.

### **Appeals for Plagiarism**

The student may appeal the decision of the instructor (for assigning 0%, 40% or 60%), in writing, to the Academic Dean, then to the Academic Committee. The student may appeal the decision of the Disciplinary Committee and/or the AC, in writing, to the President.

## **ORIENTATION FOR ON CAMPUS STUDENTS**

The New Student Orientation serves as an opportunity for incoming students to become familiar with the College facilities, its faculty, and staff. In addition, students will be provided with important information and experience alongside others who are anticipating their first year at Vanguard College. Throughout the year, students will also have various individuals available to help ease their adjustment to College life.

## **AUDITING COURSES**

Auditing is a privilege and provides students an opportunity to acquire knowledge in a subject area without having to fully participate in a course. Auditors are students who have been granted official permission to attend lectures in a course on the understanding that they may not participate in class discussions or use equipment, undertake assignments, or sit for examinations, except at the invitation of the instructor.

Audit decisions cannot be appealed. If a course does not have sufficient space for additional students, preference must be given to those taking the course for credit. Audits are only available for on campus classes. Online courses are not eligible for audit. No award/certificate of participation is awarded for students who only audit courses.

An audited course may not be credited toward the requirements for any certificate, diploma, or degree. Normally, no more than one course in each term may be audited. Students are not permitted to change status from audit to credit. Students who wish to take an audited course for credit, must reenroll and pay full tuition. Auditing will not be permitted in certain courses.

Students who desire to attend courses regularly but do not wish to take examinations or receive credit may register as auditors under certain conditions. Faculty and Registrar permission and audit fees are required. The auditing fee is generally one third of the course tuition. Any applicable materials and activity fees will also be assessed. Students seeking to audit course(s) must meet all registration and fee deadlines that apply to regular students. All fees are non-refundable.

Auditing will not be permitted in certain courses. Credit registrations will be given preference over applications to audit. Students who have audited a course may not subsequently apply for PLAR (Prior Learning Assessment and Recognition) in that course. Students who have audited a course may enrol in that same course in a subsequent term, provided they meet admission and registration requirements.

Auditing students are required to attend 80% of the classes and they shall not normally participate in assignments, exams, labs, nor receive feedback. Nonetheless, it is the responsibility of the faculty and to determine the amount of participation and feedback students can access in the audited course. Audited courses are not counted when determining students' eligibility to repeat courses. The permanent record of the student enrolling as an Auditor will be assigned the grade of "AU". Students who do not attend 80% of the classes will receive an AUF on their transcript.

The AU and AUF grades do not impact GPA (Grade Point Average).

## ACADEMIC DISCIPLESHIP PROGRAM

### INACTIVE STANDING

A student can remain inactive for a maximum of two academic years after which they are required to re-apply to continue studies. The re-application process allows the student to update references, etc. Also, the admissions committee can assess the student's transcripts for transferability into the new program.

### LEAVES OF ABSENCE

Students who need to cease their studies temporarily for extenuating circumstances (e.g., medical, personal/family, or financial reasons) may apply for a Leave of Absence. The maximum total Leave of Absence time that may be approved is one academic year.

A leave of Absence granted for a portion of a semester counts as one full semester's Leave of Absence. Students who require an absence of more than a full academic year must withdraw from the College and apply for readmission when they are ready to resume their studies.

Students may apply for a Leave of Absence at any time during a semester. Students approved for a Leave of Absence after the start of a semester will receive a grade of "W," Withdrawn, for any course(s) not completed as of the date of application. The Academic Dean and Registrar will determine eligibility for tuition refunds for an approved Leave of Absence based on the published tuition refund policy.

The Academic Dean, Registrar, and Campus Pastor will approve or deny requests for a Leave of Absence. Decisions are final and are not subject to appeal. Leave of Absence forms are available in the Academic administration office, or by email request sent to registrar@vanguardcollege.com.

# FIELD EDUCATION

## PHILOSOPHY

At the heart of a solid Bible College education is a practical hands-on component where students are able to develop their gifts and abilities, practicing real world skills that are being taught in the classroom. Learning takes place in approved ministry settings where students interact with pastors and other leaders. Integrating practice and theory, academics and ministry, while preparing students for ministry positions.

## OBJECTIVES

Field Education at Vanguard is guided by the following goals:

1. To help students develop and grow in professionalism.
2. To provide students opportunities to foster their ministry skills and receive feedback from supervisors.
3. To instill disciplines of spiritual and character formation.
4. To help students gain greater certainty of their calling.
5. To partner with church and para church ministries in the formation of capable leaders for God's kingdom.

## REQUIREMENTS

1. Students participate in a placement every week in their church, or parachurch organization.
2. In most cases, full-time students must be involved in 45 hours of approved, supervised ministry per-semester (including preparation time). A student's ministry is generally required to be in the same area as their chosen field of study.
3. All student placements are to be systematic (normally weekly), require preparation, be adequately supervised, and contribute to development of ministry skills through direct contact with people. Supervisors are required to complete regular evaluations, while students are required to submit monthly reports.
4. Students meet weekly with their practicum teacher.
5. To expose students to diverse areas of ministry and to integrate classroom learning with real world experience, student ministry involvement demands more of the student each year where ultimately, they are prepared for the responsibilities of part-time or full-time ministry, by their graduation date.
6. Since students receive academic credit for each year of their studies, each placement is subject to the practicum class syllabus and specific requirements established by their program of studies and their practicum teacher.

# ON CAMPUS PROGRAMS

## PROGRAMS OF STUDY

The following pages describe Vanguard College's programs of study in detail. The matrix below is intended to help you find the program you are looking for, by department, years of study required, or both.

## MINORS

You may settle on one right away, or you may find yourself wrestling between two areas of interest. If you are really passionate about two areas of ministry, we have minors available to add in your second year. A GPA of 2.3 is required to add a Minor.

Adding a minor to your degree means that you will take 12 additional credit hours in another program of study. You can add a minor in Youth, Intercultural, Worship Arts, Children's and Family, Pastoral Care and Counselling, Biblical Research and Christian Ministry. The requirements for each are listed on the program pages.

How do I add a Minor?

Students who wish to add or drop a minor must complete a program change form through the Academic department. This should be done in consultation with your Program Director.

If you have any questions or would like more information, you can e-mail the college at [info@vanguardcollege.com](mailto:info@vanguardcollege.com), stop by the Academic Department, or talk with your Program Director.

## RECOGNITION OF MINISTRY CERTIFICATE

This certificate program introduces students to core Christian Theology and selected Biblical Studies. The intent of this program is to provide students with a core of Biblical and Theological knowledge from which to further their own study. Students

will also develop their skills in Biblical interpretation in order to continue the skills and disciplines they have developed after graduating from this program.

While credits earned in this program are transferable to other programs, students should look at a Diploma or Degree program if they intend to pursue full time ministry.
