About the Role

The Lead Pastor will play a vital role in shaping the spiritual direction of the church, fostering a culture of discipleship, and equipping believers to actively share the Gospel. This leader must be a **strong communicator, an encourager of leaders, and a shepherd to the congregation**—helping individuals grow in their faith and empowering them to serve effectively.

Key Responsibilities

- **Spiritual Leadership** – Preach and teach the Word of God with clarity and passion, leading the congregation toward spiritual maturity.
- **Discipleship & Outreach** – Equip believers to be disciple-making disciples, fostering evangelism and engagement within the community.
- **Leadership Development** – Identify and nurture emerging leaders, encouraging active participation in church ministry.
- **Pastoral Care** – Provide guidance, support, and pastoral care to individuals and families in the church and the broader community.
- **Ministry Oversight** – Lead and provide direction for all church ministries, ensuring alignment with the church's mission and vision.
- **Community Engagement** – Embrace small-town culture, build relationships, and cultivate a welcoming environment that fosters growth and connection.

Who We're Looking For

- A **team player**, not a lone wolf—someone who thrives in collaboration and empowers others.
- A **self-starter** who is self-motivated and can effectively lead in a rural setting.
- A **natural leader** with a strong personal walk with Christ, evident spiritual disciplines, and a heart for discipleship.

- A pastor with **pastoral experience, theological training**, and credentials (or eligibility for credentials) with the PAOC.
- **Tech-savvy**, with skills in computers, social media, and worship ministry (musical ability is an asset).
