

MINISTRY OPPORTUNITY

YOUTH PASTOR

JOB SUMMARY

We are looking for someone with a vision and passion for pastoral ministry to teens, their families, and growing integrated disciples into the life of the church.

This position is being posted as part-time. The schedule is flexible and will allow for bi-vocational ministry. There is opportunity for a candidate, with the right calling, and skillset to include other ministries in the portfolio and increase the hours (some categories we would consider are: young adult ministry, continuing a rebuild of the church small group ministry, missions & outreach, communications/tech oversight).

Anticipated start date is late August/early September.

This will be a one-year contract, which is standard for all our new hires (*probationary period*). At the end of the probationary period, if both parties agree, the position will become a permanent role.

Salary will be negotiable based on candidate, education, and experience.

- Please submit a resume with references to Steve King (sking@cfachurch.ca) by July 4, 2025.

Present Youth Ministry Portfolio Includes:

 - a Sunday morning youth discipleship (20+ teens in attendance, many of whom are different from the Friday night group)
 - a current midweek discipleship evening (15+ teens in attendance, many of whom crave deeper discussion than allows on Friday nights, or Sunday mornings)
- Leading a team of a dozen adult and young adult volunteers, encouraging and equipping them for the ministry.
