

LOVE JESUS?

**LIKE THE IDEA OF
HANGING OUT WITH
TEENS, PLAYING GAMES
& EATING SNACKS?**

The Vault Youth Centre is looking for quality individuals that are excited to build relationships with teens as they share the love of Jesus in an authentic way at our drop-in centre for at-risk teens. Kids who frequent our centre come from a variety of backgrounds and they're looking for a safe place to belong. The Vault provides them with not only a safe community, but a place to learn about the person of Jesus Christ, experience holistic care, mentoring relationships & opportunities to give back.

DROP-IN TIMES: THURSDAYS 3:30-6:30pm

We ask that volunteers commit to a shift of at least once every two weeks but once a week is ideal. We will provide training, mentorship & encouragement as volunteers use their gifts to build relationships with teens at the centre.
